

# Atlanta Fire Rescue Foundation, Inc. (AFRF)

## Adopt A Fire Station (AAFS)

### SUPPORT YOUR LOCAL FIRE STATION

#### The Adopt A Fire Station Program

The Adopt A Fire-Station Program improves the working and living conditions for firefighters and supporting staff at AFRD's 36 fire stations and auxiliary facilities. Working in 24-hour shifts, stations are not only a workplace but also members' second home. Everyday household items like washers, dryers, ice machines, coffee makers, kitchen faucets, refrigerators, etc. are used around the clock. When one of these items breaks due to the heavy usage, an immediate replacement may not be covered by the city's budget.

#### How to Donate:

- Credit Card/Debit Card
  - On our website: [www.atlfrf.org](http://www.atlfrf.org)
  - Click on "Donate Today"
  - Input how much you wish to donate

  - Complete in-kind donation form and email to [info@atlfrf.org](mailto:info@atlfrf.org)
  - Call 404-538-7112 to schedule mail delivery or drop-off at the fire station

\*Donations must first be received and acknowledged by AFRF. Please do not drop off or mail donations to the station(s) without notifying AFRF.

#### About Atlanta Fire Rescue Foundation, Inc. (AFRF)

The [Atlanta Fire Rescue Foundation](http://www.atlfrf.org) is the nonprofit support of the Atlanta Fire Rescue Department (AFRD). Our Foundation provides a platform for citizens, individuals and businesses to become engaged with AFRD's mission, program, and service delivery to those who live, work, play and fly through the City of Atlanta. As the city's budget is primarily committed to covering firefighter salaries and benefits, our Foundation provides the gap funding necessary to maintain a world-class fire and rescue institution. Support for the Foundation means Atlanta firefighters have the resources they need to keep Atlanta safe.
